# It all started with a *dream*

A dream shared by brothers, Jonas and Robert af Jochnik, and their friend, Bengt Hellsten. Three Swedish entrepreneurs envisioned a company making high quality beauty products inspired by nature, available to the many.

Today, Oriflame has grown to a worldwide company and community with millions of independent Brand Partners, in more than 60 countries, who share the dreams of our founders to sell Oriflame beauty and wellness products across the globe.

Beautiful new  
beginnings

A new year has arrived. And with it comes new experiences, new connections, and new possibilities to enhance your beauty and wellbeing.

The idea of new beginnings has always been deeply rooted in our heritage, helping people all over the world empower their lives through beauty and nutrition and opportunities to live life on their own terms.

Welcome the new year with a renewed sense of wellbeing and a smile on your face. Together, we will help ensure that this feeling radiates within you every single day of the year.
