Teaching a Yin Yoga

START THE YEAR WELL

I always feel incredibly recharged and energised when I focus on my wellbeing. I find the beginning of a new year is great motivation to prioritise time for myself. I love Yin Yoga, whether its teaching or practising, it's become a real happy place for me. With 4 small children, it's not often that I get 100% time for myself, so I find small ways for me-time: it can be as simple as starting every day with my usual Wellosophy Wellness Pack, and I love a good Matcha Latte!

It's so inspiring to see how people can have so many different happy places. The Swedish Archipelago is my happy place – time with family out there is hard to beat! Moments like rowing out there with the kids, in my little red rowing boat that I've had since I was a child!

Wishing you a happy start to the new year – and your wellbeing in 2025!

"I keep one in every handbag"
