## Live your fairy fantasy

Bewitching Midnight Magic Elvie scent whisks you to an ethereal fairytale realm

# EXPLORE NEW BEAUTY WORLDS

My favourite escape is traveling with my family, like here at Disneyworld. From DUOLOGI to skincare and Optifresh, we always pack Oriflame products. We are Oriflamers!

**Beauty is a way to escape the everyday hustle and reconnect with myself.**

Like a form of self-care, it helps me unwind and feel refreshed as I savour the moment – whether it's a nourishing Love Nature face mask, revitalising Novage+ facial mist, or taking my puppies for a walk as I sip on my fave Wellosophy chocolate shake.

Makeup is like art for me. I love experimenting with various looks to express different sides of my identity. Some days I go bold and dramatic with vibrant colours to match my energetic mood, while others I prefer a natural, glowing look to feel calm and confident. Exploring new beauty worlds gives me the freedom to reflect on who I am – or embrace a whole new version of myself!

I love how perfumes can transport you to another world, transforming your mood in a simple spritz. Each scent has a unique power to evoke memories or create a whole new experience! Escape to a fairy fantasy this issue with the new Elvie Mignight Magic.

*"Extremely feminine, addictive, lingering  
and long-lasting."*

— Nathalie Lorson, MASTER PERFUMER

Exceptionally talented with a dynamic energy, Master Perfumer Nathalie Lorson always selects ingredients for their quality and blends them to perfection. She is all about expression, and chose Vanilla Surabsolute as the hero ingredient "to liberate a gourmand, sweet and very addictive character that gives a never-ending trail and success."

# POSSESS

FOR HIM

FOR HER

When creating **Possess Man**, Jean-Christophe Hérault was inspired by the legendary Spartacus, a slave forced to become a gladiator. Spartacus anointed himself with Laurel Oil before and after battles which led him to victory and greatness.

Jean-Christophe Hérault, PERFUMER

"Pomegranate seemed like an evident choice to embody **Possess Absolute**. In addition to being hot and trendy, it carries a beautiful and strong symbolism that is very appropriate to this sense of powerful and seductive femininity. When developing Possess Absolute, I felt like a goldsmith – working every note to give life to a precious jewel, whose masterpiece is the shiny scarlet hues of Pomegranate."
