It all started with a dream

A dream shared by brothers, Jonas and Robert of Jochnik, and their friend, Bengt Hellsten. Three Swedish entrepreneurs envisioned a company making high quality beauty products inspired by nature, available to the many.

Today, Oriflame has grown to a worldwide company and community with millions of independent Brand Partners, in more than 60 countries, who share the dreams of our founders to sell Oriflame beauty and wellness products across the globe.

A woman to remember

You are unique and beautiful. There's no one else with the same look, traits, and passion for life. Don't hide it - it's time to make yourself seen.

Let us help you bring out your true self with the new All or Nothing Amplified parfum, a daring feminine

fragrance crafted with the most exclusive ingredients and room-filling effect that will put you in the spotlight and make your presence unforgettable, wherever you go.

Dare to be more you!
