## SKIN STORY: WINTER SUN PROTECTION

Always protect your skin from the sun. Its UV radiation is the primary cause of skin ageing - in winter too! NovAge Day Shield protects your skin from this harmful influence as well as from environmental aggressors and free radicals, all the while intensely moisturising it.

### NOVAGE EXPERT TIP

Additional sun protection is also recommended with ProCeuticals skin treatments, as ingredients like retinol or AHA can make your skin more sensitive. Make sure to protect your skin with NovAge Day Shield in the daytime.
