It all started with a dream

A dream shared by brothers, Jonas and Robert of Jochnik, and their friend, Bengt Hellsten. Three Swedish entrepreneurs envisioned a company making high quality beauty products inspired by nature, available to the many.

Today, Oriflame has grown to a worldwide company and community with millions of independent Brand Partners, in more than 60 countries, who share the dreams of our founders to sell Oriflame beauty and wellness products across the globe.

*All you need is
love*

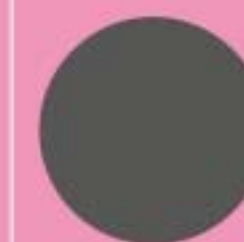

Valentine's Day is no longer a day just for couples. Now, it is a celebration of love in all its forms. Love for oneself, for friendship, for family, for community.

We believe self-love and showing love to others are equally important to wellbeing. In this catalogue, you will find lots of ways to love yourself and treat someone special. From the extra stunning THE ONE Smart Sync Lipstick to the new Eclat Intense fragrances for her and him.

So, take time to show some love to yourself and to those around you.

We love you all and wish you a very Happy Valentine's Day.
