A moment
where I felt
confident!

My Ready-Set-
Shine Moment!

Natural glow is something we all have – it shines through a smile, a positive attitude or the energy that surrounds us. The true essence of your glow comes from believing in yourself and letting your confidence shine through.

For example, on my birthday, I had a surprise challenge. With just four Oriflame makeup products, I had to create my look for a professional photoshoot. I used my favourite Novage+ Bright Intense routine to keep my skin radiant and The One Glow Stylers to add a slight blush and a youthful glow. If the photoshoot would take place today, I would add The One Lip Stain & Stay too, since it's my new obsession. But I believe the people surrounding me gave me the final glow that can only be found in confidence and positivity. It was truly a ready, set, shine moment!

WELLOSOPHY™

MAKE BEAUTY FROM WITHIN YOUR NEW SELF-CARE ROUTINE

Take a holistic approach to your beauty routine – nourish your skin, hair and nails* from within with this unique complex of important nutrients.

DID YOU KNOW?
 Hair normally grows actively for between 2-7 years (Peus & Pittelkow, 1996).

MAKE BEAUTY NUTRITION YOUR EVERYDAY HABIT!

Your skin, hair and nails grow constantly, so getting the right nutrients from your diet constantly is also important. And don't forget you're feeding your skin, hair and nails at the point where growth starts – so it can take a little time before you start to see results.

Note: Food supplements should not be used to substitute a balanced and varied diet.

High in biotin, vitamin C and iron

EXPERT ADVICE

"UV exposure ages the skin more than any other factor – always use SPF, even when it's cloudy."

Take 2 tablets daily with a meal.

Wellosophy Skin, Hair & Nail NutriComplex

Beauty complex specially formulated to target skin, hair and nail health*. High in biotin, vitamin C and iron, and a source of selenium and zinc, together with amino acids L-cysteine and L-lysine. 60 tablets. 2 a day. 42.8 g. Merch price/100pcs: £36.65

45273 ~~£26.99~~

the lowest price in 30 days before the promotion £20.78

* Biotin contributes to the maintenance of normal hair and skin. Vitamin C contributes to normal collagen formation for the normal function of skin, to the protection of cells from oxidative stress, and increases iron absorption. Iron has a role in the process of cell division. Selenium contributes to the maintenance of normal hair and nails, and to the protection of cells from oxidative stress. Zinc contributes to normal protein synthesis and the maintenance of normal skin, hair and nails.

STOP SNACKING, START THRIVING

Stuck in an endless cycle of mindless snacking? Beat the frustration with a holistic approach and feel better in your body!

EXPERT ADVICE

"Eat slowly. Slow eaters tend to eat less, feel fuller, and enjoy their meals more than fast eaters."

DID YOU KNOW?

Good bacteria in the gut microbiome like Bifidobacterium Breve ferment the fibre from food and convert it into short chain fatty acids, which stimulate the release of gut hormones including GLP-1 that help regulate appetite (Lin et al., 2024).

Lin YH, Fu CC, Wang NY, et al. Efficacy of GLP-1 Formula on Body Weight in Overweight and Obese Adults. Acta Sci. Med. Sci. 2024;8(10):62-7. doi: 10.31080/ASMS.2024.08.1925.

BREAK FREE FROM UNHEALTHY EATING

FOOD SUPPLEMENTS SHOULD NOT BE USED TO SUBSTITUTE A VARIED AND BALANCED DIET.

With TCI-1 formula, shown in vitro to increase **GLP-1** production (Lin et al., 2024)

High in copper. Copper contributes to normal energy-yielding metabolism

Source of zinc. Zinc contributes to normal carbohydrate metabolism
